Syracuse Cultural Workers Fundraiser

WHAT IT IS

Each Autumn, the Syracuse Cultural Workers partners with the Choir to support our shared missions. In the accompanying SCW catalog, you will find beautiful and inspiring art, calendars, postcards, posters, clothing, and more. The Peace Calendar is a local and national favorite.

The Choir receives a substantial percentage of each order, which makes this an important choir fundraiser each year. Please introduce the fundraiser to your friends and relatives and ask them to place their orders through you or online (using the code provided below).

WHAT YOU CAN ORDER THROUGH THIS FUNDRAISER

You can order **anything from the paper catalog, from their online catalog (syracuseculturalworkers.com), or in the store.**

PLEASE NOTE: Sale items, discounts for multiple orders of the same items, and premiums (extras you get for ordering a certain amount) can only be honored on orders submitted online or at the store. The choir will still benefit from your order, but not as much if your order were placed at rehearsal.

HOW TO ORDER

For online and in-store ordering, use the code 1819SCC so the Choir will benefit from your order.

Ordering in the Store: You can visit the store and purchase items on display, in the catalog, or online. The store is at 400 Lodi Street in Syracuse. (Parking is available two driveways to the North.). Be sure to tell them you are with the Syracuse Community Choir when placing your order (using code **1819SCC**).

Ordering Online: You can order online and have the order **delivered for a fee**. You can also order it online and select the option to **pick it up at the store** yourself. You can also order it online and choose to have it be delivered to the Choir for pickup on one of the two rehearsal dates listed below. Please note this request in the space provided for special instructions. Again, be sure to use order code **1819SCC**.

Ordering in Choir: Use the order form on the other side of this sheet (even for items found online). Make additional copies, if needed, and keep a copy of your order for your records.

We must have payment at the time your order is placed.

ORDERING TIMELINES (Please note change from last year.)

This year, you can place your order for the next two Wednesday choir rehearsals, and **there will be one (1) Wednesday Rehearsal pick-up date** (see below). **If you have a special need to get your items on a different date, please consider using online ordering and store pickup options.**
